

MONDAY EVE., OCTOBER 11, 1886.

SENATOR BRUCE thinks Cleveland and Voorhees will be the winning ticket in 1888.

GOVERNOR HILL, of New York, thinks the main question in 1888 will be good government instead of the tariff.

COLONEL HUNTINGTON has paid out \$50,000 more in the past few days for rights of way in Campbell County.

THE PASTEUR FILTER Company with an authorized capital stock of \$200,000 has been incorporated at Ashland, this State.

OVER 62,400,000 pounds of tobacco were exported from this country last August against only 51,500,000 pounds in August, 1885.

RAILROADS' reports show that forty-nine railroads last month earned \$30,500,000 against \$18,335,000 for the corresponding month last year.

REVENUE from Virginia, Maryland and North Carolina, estimate that the tobacco crop in those States will be much less than that of last year.

THE National State and Cooperage Company has been incorporated at Ashland, Ky., with a capital stock of \$50,000, to manufacture staves and coopers' materials.

A COMPANY has been incorporated at Covington to bore for natural gas in that city. Plenty of capital is backing the enterprise, and the men who are in it mean business.

DEMOCRATS should not be lured into staying at home on the 2nd day of November. It's a duty every member owes to his party and to the nominee to go to the polls and vote that day.

DR. CHENAUET has been removed from the Superintendency of the Eastern Kentucky Lunatic Asylum at Lexington and will be succeeded by Dr. F. H. Clarke. Dr. Clarke was formerly First Assistant at the Anchorage Asylum.

ON account of failing health James A. Miller, of the Ashland Independent, desires to dispose of his paper and has adopted a novel scheme. He proposes to issue 1,200 tickets to subscribers at \$2, each, and provided all are taken by December 6, he will have a drawing and the holder of the lucky ticket will get the Independent office.

A FORMER student of Harvard College has sued that institution for \$50,000 damage, for injuries sustained by the explosion of a retort containing sulphuric acid. He was terribly burned and permanently disfigured in the face by the explosion, which he claims was the result of carelessness on the part of one of the professors.

JUDGE THOMAS' "wire-workers" and henchmen are quietly arranging for the election at every point in the district. Thomas' seeming indifference is only to create the belief among the Democrats that he is not running and thus induce many to stay away from the polls on the 2nd of November. Democrats should not be deceived, but turn out to a man on the day of the election.

#### A Plain Answer Wanted to a Plain Question.

Our friend, Thomas A. Davis, very warmly espouses the cause of George M. Thomas as a candidate for Congress. Is George M. Thomas as a candidate for Congress a better man than George M. Thomas as a candidate for Circuit Judge? To be more plain, Mr. Davis, did you not refuse to vote for George M. Thomas for Circuit Judge in 1880, alleging as a reason that he was too corrupt a man to be re-elected? Will you give a plain answer to a plain question?—Flemingburg Times-Democrat.

#### The Only Wise Course.

Let not the Democrats of this the Ninth congressional district of Kentucky, be deceived. Judge Thomas is making the race. All his seeming apathy and indifference about publicly accepting the nomination is for a purpose. In this way he hopes to create the impression among the Democrats that their nominee has no opposition, knowing, if he can succeed in doing this, that many of them will not consider it necessary to go to the polls the 2nd day of November and vote. This is the scheme. Secretly he and his gang of tricksters are industriously at work in the precincts and counties throughout the district, and it will not be Thomas' fault if the full Republican vote is not polled the 2nd day of next month. The Democrats should not allow themselves to be fooled. The only safe course to pursue, the only wise plan to follow, is for every Democrat to turn out on the 2nd of November and vote for the nominee of his party, whether there be any opposition or not.

#### Davis' Inconsistency.

The Republican Enterprise is ardently supporting Judge Thomas for Congress. It is owned and edited by Thomas A. Davis. How Mr. Davis can consistently do this, we fail to see, in view of past events.

In 1880, Thomas was a candidate for Circuit Judge against Hon. A. E. Cole. He had served six years as Judge, and was a candidate for re-election. There was nothing in that six years official career of his to commend him to the people. The reverse was true. He had drawn his salary right along, but had failed to attend strictly to the discharge of his duties as Judge. The State was compelled to pay out \$3,176 in the six years for special judges. Thomas was the nominee of the Republican party at that time for Circuit Judge, just as he is the nominee of that party now for Congress. Notwithstanding the fact that Thomas was the Republican nominee at that time, Mr. Davis, the present owner and editor of the Republican Enterprise, didn't favor his re-election. Mr. Davis was as opposed to him and voted against him, as is shown by the following letter:

Mr. Will J. Kehoe, Covington, Ky., June 22, 1880.  
Yours of the 21st duly at hand, and contents noted. That my answer may not be considered ambiguous, I will say that I am so much opposed to the re-election of George M. Thomas to the Circuit Judgeship that I will vote for A. E. Cole for that office. As I have opposed the connection of politics with the judiciary, I feel that this step in no way compromises what you are pleased to term my "straight Republican record." My "reasons" for opposing Mr. Thomas are entirely satisfactory to myself, and, as they are more of a private than a public nature, their recital would bear little interest to the general reader.

Thanking you for the flattering allusion to my services in behalf of the Republican party in this district, and renewing my pledge to Mr. Cole in the coming contest, I am, very truly, your friend, THOMAS A. DAVIS.

Mr. Davis didn't give his reasons for opposing Judge Thomas, but he opposed him all the same, and, we understand, voted against him. If Mr. Davis didn't consider Mr. Thomas a fit man for Circuit Judge, we fail to see how he can consistently support him now for Congressman. Perhaps he can explain.

#### Thomas, as Circuit Judge.

Judge Thomas, the present Republican nominee for Congress, was elected Circuit Judge of this district in 1874, and served one term of six years. In these six years, he was often absent from his post of duty necessitating the selection of special judges. The certificate of the Auditor, Fayette Hewitt, shows that the State was compelled to pay \$3,176 during Thomas' term by his failure to attend to the office—\$3,176 for special judges, for work Mr. Thomas was paid to attend to. He cost the people of the State seven years salary for six years work. His plea at the time was that he was "sick" and couldn't attend his courts, but he was not too sick to be running around over the district at that time attending to other business. He was never too sick to draw his salary. "Politics with him is business," as he himself says. Do the people of this district want such a man as Thomas to represent them in Congress? We believe they are sick of this "grand, old war horse" from Lewis County.

#### Thomas, the Great Defeated.

This is the title by which George M. Thomas will be hereafter known. Three months ago he had been defeated in less than six months—once before his own President and twice before the people. The third time charms, and now he is completely snowed under. The virtue and intelligence of the people have triumphed over money.—WEEKLY BULLETIN, Nov. 11, 1880.

#### Fall Fashion Notes.

Beaded velvet bonnets are worn with dressy frocks. Breasts of birds form the entire sides of some fancy capotes.

A pique galloon trim makes handsome cloth and wool dresses.

Very small pokes are worn by young women, married and single.

Two sets of strings are seen again on bonnets, one wide, the other narrow.

All sorts of novel boware used to form the high bonnet trimmings of this season.

Plain velvet hats and bonnets are considered correct wear with dressy tailor suits.

There is a return of favor to dressed kid gloves, but undressed kids are also worn.

Some of the new capote brims are elegant and have one side strapped back with ribbons.

## OUR NEWS FROM THE EAST

### COLLAPSE OF THE "NO RENT" MOVEMENT IN IRELAND.

#### A Good Harvest and Better Prices Gradually Improving the Condition of the Irish Tenants—Dispersal of a Pessimistic Fable—Preparing a New Land Bill.

LONDON, Oct. 11.—The government professes to be daily receiving ample evidence that the "no rent" movement in Ireland is collapsing, thanks to the good harvest the improved prices, the farmers are receiving for their stock of butter and the wariness consequent upon the agitation. They cite an instance in Roscommon where James O'Kelly, the Nationalist member for that district, and J. K. Cox, the member for Clare, started a "no rent" movement last Sunday. Now, they say, even the land league branches there are sending deputations to the landlords, the priests leading the petitioners, praying for reductions in rents and promising that if their requests are granted the tenants will then pay the reduced rents.

A Catholic mission house for training African missionaries will be started in Munster, Germany, in 1887. A large fund has already been subscribed for its maintenance, and everything points to the success of the undertaking. Rev. Father Amrhein Heichenbach has been selected to act as conductor of the institution.

#### An Anarchist Plot.

VIENNA, Oct. 11.—It is learned that the authorities discovered and frustrated a startling Anarchist plot, which was to have culminated last Monday in the destruction by dynamite of a number of the chief public buildings of this city, and the burning of many other structures. A number of bombs intended to be used in this work were seized by the police. Some of the bombs had already been placed in position beneath a bridge leading to the palace, which is daily guarded by the emperor. Among the persons arrested for complicity in the scheme of the anarchists were several of the members of the general foreigners and a number of native Austrians.

#### Preparing a Bill for Ireland.

LONDON, Oct. 11.—The Daily News is able to state that the government is now preparing a bill to establish for Ireland a national council to represent the provinces of Ireland. The bill differs from Mr. Gladstone's measure chiefly in omission of a legislative body at Dublin. Otherwise it fully meets the aspirations of the Home Rulers in regard to transferring to local bodies the direction of Irish affairs now held by Westminster.

#### Charged With Erecting Huts.

ENGLAND, Oct. 11.—In the court of petty sessions at New Market, London, Francis Bennett, chairman of the Ennis lodge of guardians, and six other gentlemen who have identified themselves with the Nationalist movement, were committed for trial, charged with unlawfully causing the erection of huts on the land of several landlords who were having trouble with the tenants, their object being to intimidate the proprietors. They were released on bail.

#### Difficulty of Enforcing Evictions.

DUBLIN, Oct. 11.—While the eviction of a farmer named Tromor, living near Millbury, Mal, was in progress, the neighbors of Tromor gathered in force and made a desperate attack on the evicting party. An emergency man had his arm broken by one of the attacking party. Two arrests were made.

#### Secretary White Coming Home.

LONDON, Oct. 11.—Secretary White, of the American legation, his wife and family started for Liverpool, and will sail in the steamship Umbria for the United States on a several weeks' leave of absence. Many members of the diplomatic corps were at the depot and bid Secretary White adieu.

#### Death of Two Parliamentarians.

BERLIN, Oct. 11.—The death of Prince Salm Salms is announced. He was born in 1814, and he is a member of the upper house. Announcement is also made of the death of Assessor Lung. He was born in 1815, and was one of the last survivors of the Frankfurt parliament.

#### Forming a New Ministry.

MADRID, Oct. 11.—Senator Sagasta, acting under the queen's orders, is reforming the ministry.

#### London Notes.

LONDON, Oct. 11.—The importance attached to Lord Randolph Churchill's visit to Germany is illusory. Lord Churchill's sole aim is to recruit his health, which has been somewhat impaired by overwork. The cotton trade at Bolton is very much depressed. Four mills have shut down altogether, and two-thirds of the others, employing over 12,000 hands, are working but three days in the week.

#### "LUMBER AUCTION COMPANY."

A firm starting with a Great Flourish on Overdrawn Bank Accounts.

NEW YORK, Oct. 11.—Latimer E. Jones, the controlling spirit of the recently established "Lumber Auction Company," is in financial trouble. The company was started with a great flourish, and its dashing methods struck terror to the hearts of conservative lumber merchants, and threatened to ruin their old fogey trade. The offices of the concern in Eleventh avenue were fitted up in elegance, regardless of expense. Jones, who is not thirty years of age, was credited with unlimited wealth.

Suddenly it turned out that his bank account was overdrawn, sheriffs have seized his household effects and are threatening the property of the Lumber Auction Company. A wealthy lawyer named Lockwood, who had taken a great fancy to the brilliant young financier, has endorsed his paper largely, and is said to be responsible for part of the excessive note that Jones is supposed to have discounted. It is also said to have been found that most of this paper is fictitious, having been placed in the names of persons and firms that never existed.

Boston's New Postmaster.—New York, Oct. 11.—Gen. Corne was at the Murray Hill hotel last night. He said to a reporter that he was not prepared to say in the absence of official knowledge of his appointment to the Boston postmastership, whether he would accept or decline it. The only interest he felt in the matter was to solicit the appointment for a friend, who, however, had declined it. Gen. Corne returns to Boston to-day.

## Happiness

results from that true contentment which insures perfect health of body and mind. You may possess it, if you will purify and invigorate your blood with Ayer's Sarsaparilla. E. M. Howard, Newport, N. H., writes: "I suffered for years with Scrofulous humors. After using two bottles of Ayer's Sarsaparilla, I

great relief. It has entirely restored me to health." James French, Atchison, Kansas, writes: "To secure a large number from Liver Complaint, I would strongly recommend Ayer's Sarsaparilla. I was afflicted with a disease of the liver for nearly two years, when a friend advised me to take this medicine. It gave prompt relief, and has cured me." Mrs. H. M. Kidder, at Dwight, Boston, Mass., writes: "For several years I have used Ayer's Sarsaparilla in my family. I never feel safe, even

without it. As a liver medicine and general purifier of the blood, it has no equal." Mrs. A. B. Allen, Waterpool, Va., writes: "My youngest child, two years of age, was taken with Bowel Complaint, which we could not cure. We tried many remedies, but he continued to grow worse, and finally became so reduced in flesh that we could only move him upon a pillow. It was suggested by one of the doctors that Sarsaparilla might be the cause of the trouble. We procured a bottle of

and commenced giving it to him. It surely worked wonders, for, in a short time, he was completely cured."

USE

Vegetable

Scallop

HAIR'S HAIR

RENEWER.

It is a medicinal preparation, and, at the same time, an elegant and cleanly toilet article. Its action upon the scalp is healthful. It nourishes the glands which support the hair, and causes thin, dry hair to become thick, soft, and vigorous. It restores the color of youth to locks which have become faded with age or disease; and relieves and cures itching, caused by humors of the scalp. Dr. George Gray, Nashua, N. H., writes: "It gives me pleasure to testify to the wonderful effects produced by Hall's Vegetable Sclaff Hair Renewer, as observed by me in very many cases. IT WILL CERTAINLY RESTORE THE HAIR TO ITS ORIGINAL COLOR. It cleanses the hair, softens it, and leaves the hair soft, glossy, and beautiful." F. T. Sandelin, 1100 Spruce st., Philadelphia, Pa., writes: "After unavailingly trying a number of preparations to prevent my hair from falling out, and, realizing that I was fast becoming bald, I tried, as a last resort, Hall's Hair-Renewer. I have used only four bottles of the Renewer, and am perfectly satisfied that it is the best preparation in the market for checking the falling out of hair, inducing the growth of the hair, and promoting a new growth."

Cure for Piles.

Piles are frequently attended with a sense of weight in the back, and lower part of the abdomen, causing the patient to suppose he has some ailment of the kidneys or lungs, or some other internal disease. At times, symptoms of indigestion are present, and a very disagreeable odor (the stonach odor). A prostration, like perspiration, producing a very disagreeable odor, after getting warm, is a common attendant. Piles are cured by the following plan: The patient, observing the above signs, should immediately apply to the application of Dr. J. C. Ayer's Sarsaparilla, and, after using it directly upon the parts affected, should also use it internally, and the piles will be cured, and a permanent cure effected. Price 50 Cts. per bottle. Address Dr. J. C. Ayer & Co., Lowell, Mass., U.S.A. Sold by Geo. T. Wood.
